

Bistro Mainhattan

Hessische Landesvertretung

Welcome to Bistro Mainhattan

„Mainhattan“ is the affectionate term for the banking city of Frankfurt am Main. However, Hessen is much more than that. It means natural landscapes from the heather to the moor, attractive lakes and rivers, historical milestones in the form of architectural witnesses and picturesque half-timbered houses, viticulture, art and culture. But Hessen also means people with charm and joie de vivre, cordiality and closeness.

The Hessian State Representation has set itself the task of not only acting as a political bridge, but also to present this diversity of Hesse and to promote the exchange between people.

What is more suitable for this than a common meal in a cozy atmosphere?

We cordially invite you to get to know typical Hessian dishes and to rediscover well-known dishes with a “Hessian touch”.

Enjoy your meal
